

## Business Skills Practice

1. Find a partner to work with on a business skills practice session. We want this session to be 30 minutes—20 minutes with the business client and 10 minutes for debriefing.
2. Use Module 3B should you need a reminder of how to use our teleconference line and the debrief model. Schedule 30 minutes if you are working with a “volunteer” or 60 minutes if you are working with another coaching student.
3. You may use a client from the business section of the handout [Scenarios for Skills Practice](#) or use a situation of your own. Complete and record your practice session(s).
4. Send an email to [denise@academyofchoice.com](mailto:denise@academyofchoice.com) letting her know you have a recording completed and she will forward it to our coaches.
5. You will receive feedback within five (5) business days.
