

Module Six - Competency Evaluation

Go to <http://www.academyofchoice.com/assessments/comp-eval.html> and complete the Competency Evaluation for this program. It is open book. You may take as long as you like to complete the evaluation. You must score at least an 80% to be able to earn your certificate from the Academy of Choice. We want our InsideOut Coaches to be excellent, not average! You may take the evaluation as many times as you need to in order to score 80%. There is no penalty or reduction for retakes. The goal is to demonstrate what you have learned throughout this program. Enjoy the process!

When you have completed it, you will receive an email with your answers and a preliminary score. You will receive official notification of your status from the Academy of Choice within five (5) business days.
